## TCLF VET Providers

### why join?

Skills shortage, digitalisation, ageing-workforce, attracting new generations are just some of the major challenges facing the TCLF industries. These manufacturing sectors need updated curricula and innovative learning methods to ensure key skills and knowledge for their workers.

*Join us and we will work together on the upskilling of TCLF workforce in your region with the support of the European Commission. Don't miss this opportunity!*

Register your VET provider and take an active part!

## TCLF 2030

Over 20 public and private stakeholders of the **Textile, Clothing, Leather, and Footwear** (TCLF) sectors, coordinated by their European Umbrella Associations (EURATEX, CEC, COTANCE), come together under the **"Skills4Smart TCLF Industries 2030"** Blueprint, a strategic 4-year Erasmus+ project.

### MAIN OBJECTIVES:

- **Update training and curricula offer** to better match industry needs;
- **Upgrading the image of careers in the TCLF sectors** to attract new workers, in particular young talents;
- Create a dynamic community of private and public actors across Europe committed to support skills development and employment opportunities within a **common EU-wide skills strategy**.
